

THE EVANGELICAL COUNCIL

CHERUBIM & SERAPHIM MOVEMENT CHURCH WORLDWIDE

DAKIBIYU DISTRICT, ABUJA.

A. BRIEF HISTORICAL BACKGROUND

Since inception of Dakibiyu District, evangelism has been the central focus of its activities in order to fulfil its divine mandate of winning souls for Christ in an atmosphere of love. This mandate has been vigorously pursued. This gave rise to the establishment of 12 Branches currently under Dakibiyu District as well as the birth of Nassarawa District

Dakibiyu Evangelical Council has remained vibrant and active even at the International Headquarters of the C&S Movement Church Worldwide at Galilee Land, Orile-Igbon Ilorin. Dakibiyu District successfully hosted the Conference Evangelical Council in 2016 and set a pace yet to be equaled. It also saw the ordination of more worthy Evangelists to carry on its mandate.

On his appointment as the Senior District Secretary, Special Apostle Evangelist R. O.
