

MONTHLY PRAYER PLATFORMS

In addition to the scheduled daily and weekly Prayer Platforms which are inherently entrenched and active for the benefit of members and Visitors, CSMC Dakibiyu District Headquarters has two major platforms for monthly Prayers. These are the:

-  **ARISE AND SHINE** Programme, and
-  **TAKU TI JESU** Programme

ARISE AND SHINE Programme

This Prayer platform comes up every first day of the month between the hours of 6.00 am to 7.00 am if it falls on a weekday or between 7.00 am and 8.00 am if it falls on a weekend.

It is designed for members and visitors alike to offer prayers of Thanksgiving and Praises to God for His protection over the preceding month and for witnessing a new month. In addition, words of Exhortation as well as Prayers for God's mercies, blessings, divine provision, protection, preservation, etc. are mounted.

Short as each service is, it is always followed with testimonies of God's goodness and mercies

TAKU TI JESU Platform

The promises of God for those who serve him in truth and indeed are numerous. In spite of God's benevolence, the world we live in is full of challenges, hatred, violence, injustices, etc., most of which are ruled by Satan and its demonic forces. Indeed, God did not promise his elect immunity from such forces of darkness, BUT God promised that his elect will always overcome

In view of the vicissitudes of life which the children of God are always exposed to, CSMC Dakibiyu District Headquarters established the **TAKU TI JESU** programme, which literally means **HOLD/CLING ON TO JESUS**

The programme commenced in March 2018 and it takes place every third Saturday of every month between 7.00 am and 9.00 am. It is open to members and visitors. Interestingly, the attendance of visitors seeking solutions to their challenges of life has been very overwhelming. God has been doing wonders because of the overflow of his mercies as evidenced in the avalanche of Testimonies of God's intervention, blessings and mercies.

The programme gives room for Praise Worship/Thanksgiving, Testimonies, Exhortation and Divine Revelations. It also includes comprehensive Prayer sessions for Mercy, Blessings, Favour, Protection, Victory, Deliverance, personal requests, etc.

God has been so wonderful and merciful for flattening all mountains of challenges, levelling up all valleys of trepidation/unhappiness, straightening up all crooked ways for all that care to come under his banner; and giving succour to troubled souls. To God be the Glory!!!
